

“The Fullness of Time is NOW”

With Al & Billie Reagan Deck

We are really excited to bring Poppa Al and Momma B into the city of Wichita. They are known around the world as carriers of God’s DNA, teaching prophetic Third Day intercession. They have a passion to teach others to pray prophetically out of the glory realm – releasing heaven on earth. They believe that no longer is the kingdom of God coming, but it is here NOW.

While seeking the Lord about coming to Wichita, Momma B kept hearing that the fullness of time for Wichita is NOW! She believes there is an urgency to release the revelation of the fullness of time to this region before year’s end.

Momma B also had a vision of a big brown mushroom that had a blue top.

She saw this mushroom as a Glory explosion. Little did she know that the vision she saw resembled Century II in downtown Wichita. This will be a power-packed weekend of receiving the Revelation and Glory that God has ordained for us. NOW!
